Reading Questions for *Euthyphro* and Divine Command Theory
Pg. 9-19

1. Do you think it is possible to know the essence of Goodness, why or why not?

2. What question on page 18. does Socrates want to know about piety?

3. What does it mean when *Divine Command Theory* states that what is “good” is what God(s) commands and are there any problems with this sort of thinking?
